

Paramita & edvance+: Pioneering Educational Excellence Since 1996

Our Vision

Building ignited minds & true humans, shaping responsible, respectful, and remarkable individuals for a futuristic world.

Introducing edvance+

engage elevate evolve From Paramita Schools proven success comes edvance+, an initiative to elevate educational institutions across India. We partner with schools using research-based practices to enhance critical skills: Reading, Writing & Oratory, Logical & Analytical Thinking, Problem-Solving, and Mathematical Skills.

Our Services

- **Customized Programs:** Orientation, Workshops, and Deployment for modern educational practices.
- **Personalized Teacher Training:** Empowering educators as learning cornerstones.
- **Signature School Transformation Program (3-5 Years):** Drives academic excellence, manages staff recruitment, and ensures operational efficiency while retaining 100% ownership for schools.

Key Programs

1. GRIP: Grade Readiness Immersive Program

Addresses post-pandemic learning gaps with precision diagnostics, immersive modules, gamified learning, and adaptive technology for assured progress in Reading, Writing, and Arithmetic (RWA).

Benefits: Zero stress, boosted confidence for students; data-driven insights and efficiency for educators; improved academic outcomes and NEP 2020 alignment for schools.

2. Learning to Read & Reading to Learn (L2R & R2L)

Builds lifelong readers with integrated phonics, fluency, comprehension, and socialized learning through book clubs and peer support.

Benefits: Deep comprehension, love for reading, and confidence for students; effective differentiation for educators; school-wide literacy culture.

3. Communication Express Program (CEP)

A year-long program fostering fluent, confident speakers through debates, presentations, and teacher coaching.

Benefits: Effortless fluency and personality growth for students; enhanced school reputation and culture.

4. Kid Talks & Ed Talks

Inspired by TED-Ed, nurtures confident communicators (Grades 6-10) with storytelling and persuasive skills.

Benefits: Boosted confidence, communication mastery, and leadership for students; elevated school reputation.

5. HAnCa - Holistic Annual Calendar

A strategic framework integrating academics, co-curriculars, and assessments, aligned with NEP 2020.

Benefits: Operational efficiency, enriched learning, and enhanced school standing.

6. Teacher Training

Focuses on pedagogy, curriculum design, and assessment for NEP 2020 compliance.

Benefits: Confident teachers, engaged students, and elevated school quality.

7. Project Based Learning (PBL)

Develops 21st-century skills through real-world projects.

Benefits: Deep understanding and future-readiness for students; dynamic learning environment for schools.

8. School Transformation Program

Offers audits, analysis, and interventions for academic and operational excellence.

Benefits: Data-driven decisions, enhanced performance, and sustainable growth.

9. Psychometric Testing & Counselling

Provides assessments and support for emotional resilience and career guidance.

Benefits: Improved well-being and self-awareness for students; holistic school environment.
